

Supporting Department of Agriculture for Drone Sparing & Monitoring Aerial Survey for Fall Armywarn decease in Nga Zun Township ,Irrawaddy Co-operated with Myamna AwBa Group

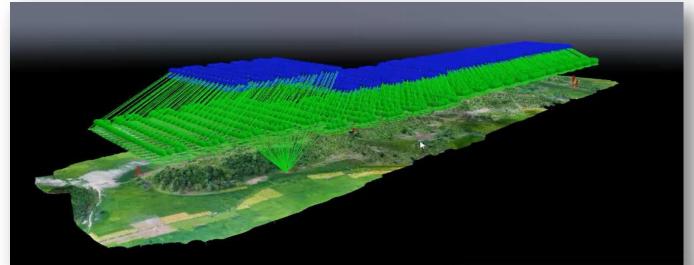

Supporting to Map Production Engineering Unit, Naypyitaw

မြေပုံထုတ်လုပ်ရေးဌာနခွဲ စစ်အင်ချင်နီယာညွှန်ကြားရေးမှူးချုပ်ရုံး ပူးပေါင်းဆောင်ရွက်မှု

- 1. Map production & Training
- 2. Research and Development for Mapping UAVs

Landform Monitoring for Special Economic Zone (KyaukPhyu) in 2014 Dec (Environmental/Social Impact Assessment)

cooperated with Myanmar Survey Research (MSR) & Concordia International Co,Ltd

3D modeling

Contouring

DEM extraction

Earth Work

(Cross section + Profile)

Camera Type - Sony 24.3MP

Ground Resolution -7 cm

Altitude (Meter) -200m - 250m

Overlap and side Lap -80/ 75 %

Supporting Mandalay City (48000 arcs / 20000 hectare) Development Committee for Aerial Mapping, Data Processing and Data Base Creating of Mandalay City Cooperated with Asia Air Survey Myanmar Co.,ltd

မွန္တလေးမြို့ စည်ပင်သာယာနယ်နိမိတ်ဧရိယာအား မောင်းသူမဲ့လေယာဉ်ဖြင့် ကောင်းကင်ခါတ်ပုံရိုက် Survey တိုင်းတာ အသုံးချမြေပုံထုတ်လုပ်ခြင်းလုပ်ငန်း

Meeting Planning with Mayor of Mandalay City Development Committee

Minister of Education Visited Project Implementation at MCDC, Mandalay

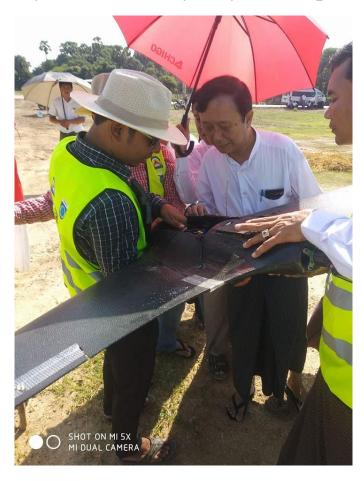

UAV Aerial Photo Acquisition By UAV for Mandalay City (48000 area)

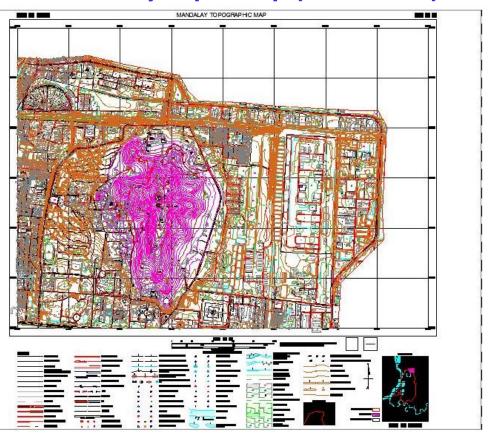

Mayor of Mandalay City Development Committee

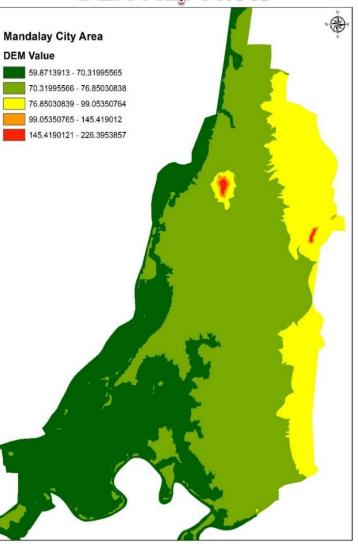

Final Delivery Data Format

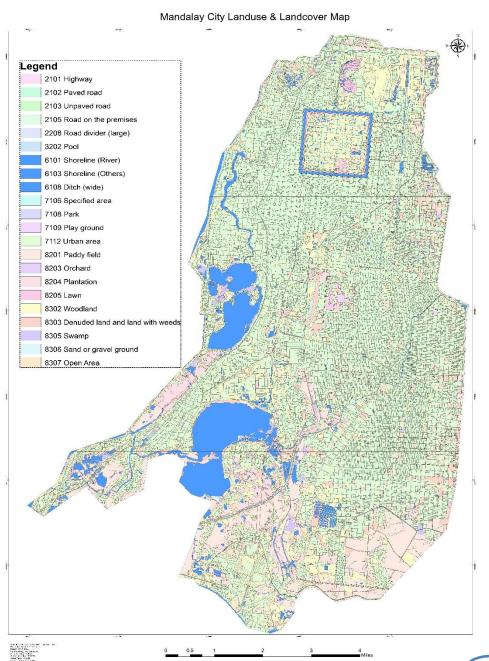

1;5000 Scale Any Topo Map (DWG Data)

DEM Map Photo

Final digital data with Landuse Landcover Map

Map Scale_1;20000 Scale

Using Layer Information

Supporting Meikhtilar City Development Committee for Aerial Mapping , Data Processing and Data Base Creating of Mandalay City

ဓိတ္တီလာမြို့စည်ပင်သာယာနယ်နိမိတ်ဧရိယာအား မောင်းသူမဲ့လေယာဉ်ဖြင့် ကောင်းကင်မါတ်ပုံရိုက် Survey တိုင်းတာ အသုံးချမြေပုံထုတ်လုပ်ခြင်းလုပ်ငန်း

Supporting Wundwin City Development Committee for Aerial Mapping, Data Processing and Data Base Creating of Mandalay City

Current Projects

 3D Modelling & Hazard Map using Drones of KaungMu Taw Pagoda in Sagaing Township

Cooperated with Mandalay Technogical University and Technological University (Sagaing)

Supporting

Department of Disaster Management, Ministry of Social Welfare, Relief

and Resettlement and Cooperated with Department of Agriculture For Drone Aerial Topographic Map, Hazard Map & Flood Model of South NaWin Dam

Proposed Projects

- Aerial Map Survey and Data Base Project in Pyinmana Township Cooperated with Pinmana Development Committee for
- -Precision Agriculture Project Cooperated with Department of Agriculture Research (DAR)
- -Developing agriculture section, we research and produce the spraying Drone and Corp monitoring Drones. Myanma Awba Gorup was trained spraying drone pilot and Crop health analysis Mapping used in Multispectral senor Cooperated with Myanmar Awba group.

Inventor Award (First Prize) International Technology & Industry Show 2017

Thanks for your Attentions
